Dear Town Council Members:

I would like to be considered for a position on the Bay Oaks Advisory Committee. I am a property owner on Fort Myers Beach and have been a full-time resident since 1998.

For the past few years, I have become more and more involved in the activities and government of the island. I am presently Vice-President of the Estero Island Garden Club and a member of Bay Oaks Social Seniors. In this latter capacity, I took part in discussions over the summer dealing with the takeover of Bay Oaks from the county. I am greatly invested in the success of the Bay Oaks Recreation Campus, and as a volunteer on this committee, I hope to help with the realization of its very promising future.

I have enclosed a resume of my post-retirement activities.

Best regards,

Becky Bodnar

Dear Town Council Members,

My name is Rick Loughrey. I was a member of the Bay Oaks Advisory Committee prior to the change over between the County and the Town. I am writing to you, as I would like to be placed on the new BORC Committee.

I reside at 5137 Estero Blvd., Fort Myers Beach, with my wife, and 11 year old son. I am currently the Vice President of both the Fort Myers Beach Little League and the Fort Myers Beach Soccer Club. I also served on the Ad Hoc 5 Year Plan Committee for BORC.

Thank you for your consideration to this very important committee.

Very truly yours,

Rick Loughrey

Dear Sir or Madam:

I would like to volunteer for the Bay Oaks Advisory Committee. I have owned property on the island since 1986 and have been a resident since 1993. I enjoyed attending computer classes at the Bay Oaks Recreation Center and my husband enjoyed playing basketball occasionally.

I would bring to the advisory committee my experience dealing with grants and budgets. I was a director of Women Infant and Children's Nutritional program (WIC) in Van Wert County, Ohio; where in addition to my role as a nutritionist, I also served as a grant writer and a budget administrator. I was selected to serve at the state level for two years, as a member of the State of Ohio WIC Financial Committee.

I also have a history of being actively involved in several volunteer activities. I was a 4H advisor, president of the YMCA Parents Swim Club (which was responsible for raising money to support the team and sponsoring a regional swim meet with 10 teams, or more than 350 participants). I was co-founder of The Ohio State Alumni Club of Van Wert and Paulding Counties. I served on the Council on Rural Services/Head Start Advisory Board and on the Van Wert County Human Services Advisory Board.

I know that the transition from county to city ownership has brought concerns from residents and property owners alike and if selected for this committee, I would work to offer city council solid information to make informed decisions.

I would be unable to attend the December 2009 meeting, as it conflicts with a previous commitment I made before I was aware of the meeting schedule.

Sincerely,

Myra Miller

To Whom it May Concern,

My name is Tom Mizwa. My wife, Robin, and I have owned our home on 95 Mound Road for 6 years and have resided here with our daughter full-time for the past two. Our daughter, Gracey, will be four in January and we look forward to her attending Bay Oaks Elementary School for kindergarten. We have a year round pass to the pool, where Gracey learned to swim and we frequently visit the recreation center and wonderful playground.. Robin and myself were involved in organized sports at our community centers as youths and believe that played an important roll in who we are today. We hope that Bay Oaks will play a positive roll in the development of our daughter as well.

Aside from my involvement in athletics and a general healthy living as a way of life, I also have a professional background in business development, marketing and sales management. I posses the skills to help manage, motivate and rally people around a common cause. I have the freedom of time to attend meetings and the motivation and willingness to be a valuable participant to the board. It would be my honor to help support the Bay Oaks Community Center through the advisory board.

Sincerely,

Tom Mizwa

It is my understanding that the Council has voted to allow a person to serve on more than one Town appointed Committee. As all of you are aware, I currently sit on the Bay Oaks Advisory Committee (BOAC) as well as on the Cultural & Environmental Learning Center Advisory Board (CELCAB). If possible I would appreciate the opportunity to continue serving on both, however, I realize that I am asking for special consideration.

With a year left to serve on CELCAB, I am planning to complete that term. The issue lay with BOAC. It has been my privilege to serve as a continuous County appointee to BOAC since its inception. To help maintain continuity at this exciting time in the life of Bay Oaks, I respectfully ask that you consider my request to remain on the committee.

Currently I serve on the Lee County Parks and Recreation Advisory Committee and feel that the information I bring back to BOAC from our monthly County meetings is a direct benefit to the committee. If you also see this benefit, would a position as "ex-officio" member be a possibility (if an actual appointment to the committee is not forthcoming)?

I ask that you please consider my request as I have the desire and I am in a position with the time and energy to give back to our Town and its vital committees. Thank you for your considerations!

Respectfully submitted,

Dear Council:

As a business owner here in Ft. Myers Beach with my husband as well as a parent of school age children I would like to submit this letter for consideration to be appointed to the Advisory Board of the Bay Oaks Recreation Facility. My family and I moved to the Ft. Myers Beach area November 2007 when we purchased the Sun Deck Inn & Suites located near Times Square. Over the course of the last few years my family has been extensively involved in many activities at the Bay Oaks Recreation Facility. Our children, Dillon age 14, Logan age 10, and Cameron age 9 have all participated in multiple activities such as flag football, baseball (both my husband and I coached the Beach Pirates Little League team), basketball, soccer (my husband Rick is coaching) as well as the after school program.

Over the past 15 years I have attained senior management positions with several corporations such as Mayflower of Central Florida and the Carnaby Corporation. In my roles with these companies I have held increasingly senior positions to include General Manager and Controller. I am formally trained as an accountant and hold an undergraduate degree in Accounting from the University of Central Florida.

As a member of past Bay Oaks Advisory Board, I made quality contributions to the Board as well as to the general membership of the Bay Oaks Recreation Center. With my combined business knowledge, expertise and education I feel I could make a positive impact in the overall future of the Bay Oaks Recreation Center.

I look forward to hearing from you and am sure that I would be a valuable asset to the Town of Fort Myers Beach Bay Oaks Recreation Center. If you have any questions or concerns please feel free to contact me at 239-463-1842.
