RECEIVED BY

Mayor Larry Kiker and Town Council Members
Town of Fort Myers Beach
2523 Estero Blvd.
Town of Fort Myers Beach, Florida 33931

Dear Mayor Kiker and Town Council Members:

As a resident of the Town of Fort Myers Beach since 2004 and a government employee for nearly 35 years I feel I am uniquely qualified for the position as Town Manager for the Town of Fort Myers Beach, please consider the following:

34 years of broad based planning and government experience. Over 11 years of Management & Supervisory experience, including oversight of major development projects, budget planning and supervision of City and County Planning Divisions, Planning Director in the private sector and currently as Assistant Director of Growth Management for St. Lucie County, Florida.

Extensive experience working as liaison to Governmental Boards and Committees. 34 years working with & advising Elected Officials, Planning Commissions, Citizens, Committees and Boards.

Extensive firsthand experience in all areas of Planning and Land Use. I have a broad based career that has allowed me to have hands on experience developing and working in all areas of planning, from comprehensive planning, transportation planning, to land use administration and code enforcement. My broad based experience in planning has allowed me the opportunity to work with all areas of government so I have an excellent understanding of the "Big Picture" and how to facilitate a quality comprehensive organization.

I welcome the opportunity to discuss the position with you. A copy my resume is attached I can be reached at the numbers listed. Thanks again for your consideration.

Sincerely,

Robin D. Meyer, AICP
