To Whom It May Concern:

I would like to reapply for the Anchorage Advisory Committee. I have owned sailboats and been an active sailor with my husband for close to 30 years. We spent over 20 years sailing on the Great Lakes and brought our boat to Fort Myers Beach by water from Lake Michigan. Since living here in Florida, we have cruised the Keys, Bahamas, and the Caribbean.

I have stayed in a wide variety of marine facilities over the years, both well run and not well run. I would like to see the Fort Myers Beach Mooring Field be and continue to be a destination that cruisers want to come to. I believe my experience can help to do that.

Thank you for your consideration.

Sincerely,

Katherine Light

As per my phone conversation with Michelle Mayer on Wednesday, September 1, I would be interested in serving on a town advisory committee for this coming year.

My husband and I have owned property on the beach since 1986 and I have lived here as a permanent resident since December, 2008.

A little bit of background would include:

Education: MA in Spanish Literature, New York University
BA in Spanish, Douglass College (Rutgers University, New Brunswick, N. J.)

Work Experience: Have worn many hats in my working career: Nursery School Teacher, owned and operated my own Hallmark Gold Crown Store for 10 years in Madison, New Jersey, was an Assistant Manager in a Pier 1 store in New Jersey and transferred down to Ft. Myers Beach as an Interim Store Manager with Pier1. I have worked at Bloomingdales and H. Stern Jewelers in New York City. I have just passed my state exam to qualify me as a licensed real estate sales associate in Florida, and am seriously considering going into that field in the near future.

Volunteer Experience: Chatham Township Presbyterian Church (New Jersey): Christian Education Committee, Moderator of the Women's Association, Sunday School Teacher and active in (Director of for one year) the Church's Vacation Bible School. Active in the PTO of Southern Boulevard School. Member of the Chatham Township League of Womens' Voters.

Personal: Widow, mother of two children: Sarah, who currently lives in Japan with her husband Luke, who is in the US Navy and son, Kevin, who currently lives and works in Boston.

Given my background and experience, I leave it up to the members of the Town Council to decide where I may best be put to use.....Please take into consideration that if I do decide to become active in Real Estate, I would not want to be involved in any activity that could be construed as a "conflict of interest".

I hope to be able to serve and be of good use.

Re: Anchorage Advisory Committee

Michelle,

Please accept this letter as my intent to be appointed to the Anchorage Advisory Committee for the Town of Fort Myers Beach.

I have been a full time resident of the Town of Fort Myers Beach since 2008 and Southwest Florida dating back to 1976. As a local professional and advocate of the Beach, I feel my qualifications will benefit the Residents of the Town of Fort Myers Beach.

In 1978, I enrolled and passed the *United States Power Squadron Boater Safety Program*. The program covered piloting, navigation, boat handling, heavy weather and other topics related to local boating safety. I have been an active boater in Lee County for over two decades with extensive local boating knowledge. In 2006, I received my *American Heart Association Heartsaver AED* certificate from Physicians Regional Medical Center. The Summer of 2010, my 15 year old daughter Marni, passed *her Florida Fish and Wildlife Boating Safety Program*, once again showing my commitment to promoting safe boating on our local waters.

It would be an honor to serve on the Anchorage Advisory Committee for the Town of Fort Myers Beach; I look forward to working with the Council.

Sincerely,

Joshua Tuyls

Re: Anchorage Advisory Committee

Michelle,

Please accept this letter as my intent to be appointed to the Anchorage Advisory Committee for the Town of Fort Myers Beach.

I am a local business owner and an avid fisherman / sailor in these waters. I would like to offer my insight and local knowledge to the committee and residents of Fort Myers Beach.

I have been an avid boater since 1980 from the great lakes to the Florida Keys. I have raced in multiple regattas and participated in many fishing tournaments. My love and respect for the water has a daily impact on my everyday life.

In 1992 I enrolled and completed the Canadian Safe Boaters Course. I have also been involved in assisting multiple boaters in distress. My family and I have been members of three different yacht clubs with mooring fields and I am familiar with some of the challenges they face.

I am grateful to be considered for this position and honored to have an opportunity to work with other concerned residents of Fort Myers Beach in the interest of our great waterways .

Sincerely,

Ryan Crown
(Resident, Town of Fort Myers Beach)
