By this memo, I am respectfully asking to be appointed to the Marine Resources Task Force (MRTF). My interest in serving on MRTF is to contribute to the environment of Fort Myers Beach, with particular emphasis on the beach and beach shoreline. This would include enhancement of our beach for residents and tourists, as well as maintaining it properly for Turtles, local wading birds, and migratory birds.

I have served on MRTF before, post "Charlie", and upon leaving, organized our "Friends of Little Estero CWA" group which works to enhance the environment of our CWA at the south end. As part of this effort, my wife and I have been awarded the "Mayor John Mulholland Stewardship Award"

My wife (Doris) and I have been full time residents for 12+ years at:

7100 Estero Blvd #206
Ft Myers Beach, FL 33931
(239) 765-6108

I hold a BS degree in Engineering, as well as a MS degree in Business Mgmt. We own oceanfront property on Bald Head Island, N.C., as well as a summer home on the shore of Lake Huron, Mi

Respectfully
