Good morning, Michelle.

I would like to be considered for the open position on the Community Resource Advisory Board.

I am a resident of Fort Myers Beach, 54 years old, and work with my wife at Krusty Pete's. In my "past lives", I have owned, then sold, a software company that developed and marketed nationally, products for the health care industry. I then leveraged that into what became a national internet service provider, touting the 4th largest dialup network in the country. I have also been involved with large national youth sports organizations and was the force in bringing a national softball tournament to my former community that brought over 67million in economic impact to the area.

I have been vacationing here with my family since I was 8, and my wife and I moved here full time in October 2009. We plan to stay.

If there is anything else that you need from me to be considered, let me know.

Thank you.

Good morning, Michelle.

Home address is: 17334 Whitewater Ct, fmb (temporarily - the house we were renting went into foreclosure and we had to move. We should be back on the island when properties open up after season)

Thanks

Dear David,

Thank you for your letter of interest to be appointed to the Community Resource Advisory Board. I will forward your letter on to the Council for consideration, however before I do, can you please provide me with your home address? I believe 1172 Estero is your business address, and I need to verify that you are a resident of Fort Myers Beach.

Sincerely,

Michelle
