Dear Town Council Members,

I am writing this letter to express my sincere desire to be part of the **Community Resources Advisory Board**. I have lived in Fort Myers Beach for the past five and a half years with my husband Carlos. Our dream for fifteen years was to be able to retire to Fort Myers Beach and in April of 2004 we purchased our home on Lauder Street and our dream was on its way to becoming reality! Although I still perform free-lance work for several educational publishers, I am a retired Miami-Dade County Public Schools district administrator and I am confident that I will be able to tap into my background and expertise and play a part in our town's renewal projects and make our island a better place to live and vacation.

I grew up in Danville, Pennsylvania before moving to Miami to attend college. After deciding to stay and begin my career as a school teacher, I met Carlos, got married and started a family which includes our adult son and daughters; Carlos Jr., Jasmine and Lauren. We also have two beautiful grandchildren; Carmen and Max who often come to visit us at the beach.

My lifelong career in education took me from the classroom as an elementary public school teacher for 19 years to a district administrator for 11 additional years. My primary responsibility as an administrator was to supervise bilingual programs at 86 schools including elementary, middle, and high schools. In addition, I was responsible for presenting to teachers and school-site administrators on a regular basis. I also wrote curriculum, created staff development, and presented at national conferences on numerous occasions.

If I am selected to be part of the committee, you can be assured that I will give one hundred percent of my know-how, common sense and good judgment. I will bring the perspective of someone who wants only the best for our community and its citizens as well as our visitors.

Please feel free to contact me should you need additional information or have any questions regarding the information I have provided.

Sincerely,

Olga C. Carballo

Dear Council Members,

I am writing in interest of serving on advisory committee. My interests are with the Community Resources Advisory Board or The Marine Resources Task Force.

I have been a fulltime resident of Fort Myers Beach for four years and truly appreciate the quality of life that God has given us here. As an avid boater and a member of the Chamber of Commerce, I promote the use of all facets of the beach area but realize the importance of proper stewardship. I am truly committed to our little piece of paradise. If you believe I have the qualities and interest you are looking for, please contact me for further discussion.

Sincerely,

Dear Theresa,

Since I moved to Fort Myers Beach in September, 2009 I spent many hours volunteering for Bay Oaks and our Library. I participated in the Fort Myers Beach Leadership Conference presented by The Community Resource Advisory Board, (CRAB) in May, 2010 and had the pleasure of meeting Jim Rodwell, Betty Simpson, A.J. Bassett, Cathie Lewis and my friend Joanne Shamp and they all encouraged me to get involved.

I was also inspired by Laura Jibben, Karen Swanbeck and Michael May, all CRAB members. Their enthusiasm and organizational skills were very apparent and I knew I would be honored to be part of the CRAB board.

While living in Pittsburgh, PA I worked in our school system and for our State Senator. I was very involved in organizing many local functions and volunteered with our School district, the Township and our local library.

I am in the process of cutting back my work schedule with the intent of volunteering my services. Jim Rodwell encouraged me to become a part of CRAB. Anne & Tom Babcock would like me to get involved with The Mound House and Newton Park and I have included them in my goals.

Enhancing the quality of life on Fort Myers Beach as well as creating a vision for our community is something I would strive for.

Please consider this letter my intent to be considered for the Community Resource Advisory Board of Fort Myers Beach.

Sincerely,

Bobbi Kemp
