Request for appointment to the Land Planning Agency

I am seeking a position on the Land Planning Agency. Although my time as Vice Chairman of the Marine Resources Task Force has been well served, I would like to get more involved in the community and local government. I believe I would bring solid and logical judgment, fairness and straightforwardness to the LPA. I appreciate your consideration.

To The Honorable Mayor, and The Town Council of Fort Myers Beach,

I would like to be considered as a candidate to fill one of the vacant Local Planning Agency positions for this year. My name is Tim Anglim, and I have been a full time resident on Fort Myers Beach for twenty-one years. I own a home and my wife and I have raised our children on the island. I also own several businesses on Fort Myers Beach. I think that this might give me a unique perspective on the Local Planning Agency, as my concerns are as much about my home, my family, and our quality of life as they are about my businesses. I would appreciate it very much if you would submit my name as a possible appointee to the Local Planning Agency.

Sincerely,

Tim Anglim

Re: Marine Resources Task Force committee/LPA

Dear Council members,

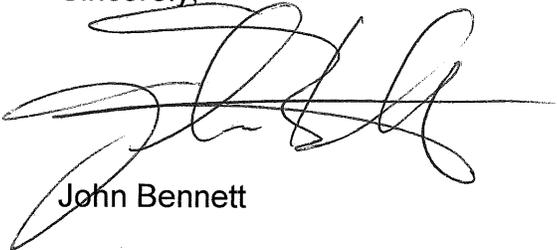

I am writing in regards to my current position as a member of the Marine Resources Task Force. After careful consideration and thought, I have decided not to seek re-appointment to MRTF, and instead seek appointment to the LPA.

My tenure with MRTF was very enlightening and I hope that the committee continues to be successful in providing the best guidance possible for the preservation of our natural resources.

Having been an island resident since 2003, I feel that my knowledge and familiarity with local concerns makes me well suited to serve on the LPA. I have also managed and operated small businesses on the island since 2004, giving me unique insight to both working and living on the island. On and off for the last 25 years, I have lived and worked in coastal communities. This experience has shown me both the good & the bad, and what did & didn't work.

I hope to bring my experiences to the LPA and continue to be a part of the team that makes our community great.

Sincerely,

John Bennett

Dear Members of the Town Council of Ft. Myers Beach,

My name is Jane Plummer and I would once again like to through my hat into the ring of candidates that would like to serve on the LPA. I have been a resident on Ft. Myers Beach for 21 years. I have been a business owner as well as a resident. I owned and operated the Anchor Inn Cottages for 6 years. After selling that business I became a full time Realtor. Later, I opened, operated and resold a Curves for Women on Ft. Myers Beach. Most of all, I am an Island girl that loves this Beach and all that it gives to its residents and business owners. As a resident, I care about present and the future of this Island.

I have dedicated myself to serving on several committees on this Island in the past. Without checking dates, I served on the Bay Oaks Advisory almost from the beginning for about 10 years, I served on the LPA for 6-8 years and was also on the Historical Preservation committee while on the LPA. I do believe my time that I spent on these committees to be a very valuable experience and feel it would also carry forward in to the direction of where the Town is today.

I understand the time commitment to being on the LPA, the research and the ability to come in to a meeting with an open mind. Listen to the facts and be willing to look at how it fits with the property rights of the individual and with the Town's Comprehensive plan. I would like to serve on the LPA.

Sincerely,

Jane Plummer
