TOWN OF FORT MYERS BEACH

MEMORANDUM

DATE: October 5, 2011

TO: Cathie Lewis, Public Works Director

FROM: Jeff Richard, Public Services Supervisor

SUBJECT: Special Event Permit for World Championship of Sand Sculpting

The Special Event Permit for the World Championship of Sand Sculpting, November 17th – November 27th, 2011, has a few hurdles to overcome. I have been in contact with the organizers on a slow but steady basis since our meeting on September 22nd, 2011. They have addressed some of our concerns, but are still lacking major components for Permit approval. Listed below, in order of importance, are items that require attention.

1. Florida D.E.P. Field Permit. This permit has yet to be issued. The organizers have made known to D.E.P. Town Staff's concerns brought forth from the September 22nd meeting and have made amendments.
2. Beach Vehicle Permits. The organizers have yet to apply for any Beach Vehicle Permits from Environmental Sciences.
3. ABT Extension of Premises Permits. Although there is time to acquire these permits, none have been issued. A typical Extension of Premises Permit lasts 3 days. 4 such permits are needed to cover the 10 day event if alcohol is to be sold. ABT's policy is that these permits be completed 7 days prior to an event.

Drawing the attendance that this event typically generates, the Town will provide, place and maintain "NO PARKING" sign along areas of the Town's Right-Of-Way.

The majority of parking for the event will be on the bayside of Lovers Key State Park with shuttle service to the event area. I've requested the organizers to send a Letter of Permission from the Park Manager to utilize the park. Holiday Inn and Santini Marina Plaza will also offer parking.

The event will require the use of the municipal water supply via a fire hydrant. An account has been established with Beach Water to rent a meter and backflow preventer and to purchase water.

These items, though important, can be accomplished in a timely fashion. I will bring forth any changes or updates that may occur between now and the October 17th Town Council meeting for Council to evaluate.

Town of Fort Myers Beach Special Event Application

World Championships of Sand Sculpting

November 17 – 27, 2011

Describe Event, Times, dates, activities, and general overview:

As a group, a partnership has been formed between the Holiday Inn Fort Myers Beach, Pinchers Beach Bar & Grille Sand Lubbers and Big C Events have been able to come to an agreement with the organizers of The World Championship of Sand Sculpting to bring the international event to Fort Myers Beach. This is a tremendous opportunity for the town to host a major international competition that has a twenty-five year history steep in tradition. The event has been the "Super Bowl" of Sand Sculpting drawing top Master Sculptors from around the World to compete at the highest level.

The event is scheduled to be open to the public Thursday, November 17 – Sunday, November 27, 2011. The 11-day event will take place on the south end of the island, on the sandy beach behind the Fort Myers Beach Holiday Inn at 6890 Estero Blvd. and slightly north to the edge of the Sandarac Condos at 6666 Estero Blvd. This will be a fun-filled event that will include World Master Sand Sculptors, live music, a child activity area and various art and craft vendors. We are also planning to have ice and wood carving exhibitions, sand sculpting lessons, and a local theatre production live on our main stage.

The competition will take place the first four days of the event with the awards being given out on Sunday, November 20. The next week will be focused on the numerous activities and attendees will have the opportunity to view up to 30 works of art on display. On Saturday November 26th, we will also host an amateur competition, with as many as 200 amateurs competing.

We will be partnering with local charities including the Fort Myers Beach and various Kiwanis clubs throughout Lee and Collier County. We will also have other participating charities such as the Friends of Lover's Key, Teen Challenge and various youth organizations. We expect the event to attract 50,000 – 80,000 individuals over the eleven days.

The majority of the parking will be on Lover's Key with shuttles provided to the Holiday Inn Fort Myers Beach. We have also secured additional/VIP parking on-site at the Holiday Inn Fort Myers Beach and at Fish Tale Marina. This time of year hosts a great need for our local businesses and hospitality industry. This will have a tremendous, positive financial impact on our community. It is estimated that this event could have a \$13.5 Million Economic Impact over the two weeks.

We will also be requesting approval of open containers of alcohol in public areas, as provided in Ordinance 99-15, Chapter 62, Section 5(F) and understand that we need to go before the Town Council. We will look to be put on the agenda for an upcoming council meeting.
