

1. Discussion Objective:

Work Session Date: December 5, 2011

Review and discuss the CELCAB recommendation on parking for the Mound House. Discuss whether 216 Connecticut is still a viable option and give staff direction whether to seek other parking options for the site.

2. Submitter of Information:

- Council
- Town Staff
- Town Attorney

3. Estimated Time for this item: 30 minutes

4. Exhibits

5. Background:

Several years ago, the town purchased the property at 216 Connecticut Street with the idea the site could be used as parking for the Mound House site.

CELCAB has recommended that Town Council move forward with the rezoning of the 216 Connecticut Street location to establish needed parking for the Mound House site.

There has been some push back from some neighbors regarding the potential use of the 216 location.

A property abutting the Mound house site may be available and could be considered as an alternate site for parking.
