At that time, Marine Resources Task Force member Dan Andre sought appointment to a seat on the Local Planning Agency. However, there were more applicants to the LPA than vacant seats, and Mr. Andre agreed to withdraw his application for appointment to the LPA, and sought re-appointment to MRTF. At the December 13, 2011 LPA meeting, one member resigned, vacating one seat on the LPA. With the current vacancy, Mr. Andre is again seeking consideration for appointment to the LPA. His September 2011 letter is attached for Council consideration.

Request for appointment to the Land Planning Agency

I am seeking a position on the Land Planning Agency. Although my time as Vice Chairman of the Marine Resources Task Force has been well served, I would like to get more involved in the community and local government. I believe I would bring solid and logical judgment, fairness and straightforwardness to the LPA. I appreciate your consideration.
