

RESOLUTION OF THE TOWN COUNCIL OF
THE TOWN OF FORT MYERS BEACH, FLORIDA
RESOLUTION NUMBER 98- 12

A RESOLUTION OF THE TOWN OF FORT MYERS BEACH, FLORIDA
SUPPORTING Two Project Applications to the Lee County Boating Improvement Program.

WHEREAS, Lee County receives Boating Improvement funds that are generated by the boating public with the mission of spending these funds on projects or studies that will enhance recreational boating; and

WHEREAS, the Town contributes to these funds through boater registration fees paid by its residents and the Town's coastline and waters are a significant destination point for many of the County's registered recreational boaters; and

WHEREAS, the Town is submitting the following projects for consideration: [1] The hiring of a Harbor Plan Consultant to create an action plan to resolve competing boating interests in the Matanzas Harborage, protect recreational boating and establish a harborage enforcement system; and [2] The second project provides for a series of public docks that would be available to recreational boaters, fishing interests and promote the viability of a private sector water taxi system. These docks are projected to be constructed at Bowditch, under the Matanzas Bridge and the Mound House. In the future, certain Bay Access points may be included and consideration will be given to linking these public docks with public docks on San Carlos Island; and,

WHEREAS, the Town Council of the Town of Fort Myers Beach strongly supports these projects and believes that both of these projects support recreational boating interests and therefore justify an appropriate expenditure of Boating Improvement Funds.

NOW THEREFORE, BE IT RESOLVED by the Town Council of the Town of Fort Myers Beach, Lee County, Florida.

That the Council requests that the Lee County Board of County Commissioners support the funding for the two projects listed herein and find that both projects justify an appropriate expenditure of Boating Improvement Funds.

The foregoing Resolution was adopted by the Town Council upon a motion by Council Member Mulholland, and seconded by Council Member Murphy, and, upon being put to a vote, the result was as follows:
