WHEREAS, a public hearing was held before the Local Planning Agency (LPA) who gave full and complete consideration to the recommendations of the Staff, the documents in the file, and the testimony of all interested persons and recommended:

THAT the request be approved based on the conditions of approval and deviations recommended, as stated in the Staff Report dated October 16, 2001 and found on pages 2 & 3 of the Staff Report which is attached hereto and incorporated herein by reference with the following exceptions;

1. The LPA recommends that the Town Council approve Deviation #1.
2. The LPA acknowledges that Deviation #4 was withdrawn by the applicant.
3. The LPA has expressed a preference for allowing the applicant to utilize a gated entry with 2 access points but has requested that the applicant and the staff review

the feasibility and safety of this type of approach and present their findings on this point to the Town Council; and,

WHEREAS a hearing was held and the council considered the following criteria, whenever applicable:

- a. Whether there exist changed or changing conditions that make approval of the request appropriate.
- b. The testimony of any applicant.
- c. The recommendation of staff.
- d. The testimony of the public.
- e. Whether the request is consistent with the goals, objectives, policies and intent of the Town Plan.
- f. Whether the request meets or exceeds all performance and locational standards set forth for the proposed use.
- g. Whether the request will protect, conserve or preserve environmentally critical areas and natural resources.
- h. Whether the request will be compatible with existing or planned uses.
