He expressed his belief that the Safety Task Force would make a presentation to Council in August; and asked if the Town was in the situation where they had to allocate funds up to \$25,000 would it be permissible to Council that they move forward with scheduling work (i.e. changing a light bulb) and then it would come before Council at a later date.

XVIII. AGENDA MANGEMENT

Town Manager Stewart asked Council to review the Agenda Management sheet and noted some items were completed, some were on hold, and after the hiatus there would be the issue of C.O.P. which would
