Memo

Re: FY 2014 Final Public Budget Hearing

As directed by the Town Council, I have adjusted the millage rate to .7530 and revised Appendix A to reflect the changes that were made by the Council at the September 3rd meeting. I have included for your review the following items:

- Advertisements
 - Budget Summary
 - *The budget summary shows an increase in operating expenses of 3.9% over last year. This calculation is required by TRIM. The 3.9% is **NOT** a notice of a tax increase, but it is information for the public that the Town's operating expenses and/or money that is retained for future spending (fund balance – reserves) has increased over last year.*
 - Date and Time of the final budget hearing
- Summary list of all revisions from the preliminary budget. The final transfer from General Fund reserves to operating is \$48,308.

Please contact me if I can provide any additional information or if I can answer any questions.
