RESOLUTION NUMBER 13-15

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF FORT MYERS BEACH, FLORIDA, URGING THE UNITED STATES CONGRESS TO TAKE IMMEDIATE ACTION TO DELAY OR REPEAL THE FLOOD INSURANCE REFORM ACT OF 2012; PROVIDING AN EFFECTIVE DATE

WHEREAS, in 2012, the United States Congress passed the Flood Insurance Reform Act of 2012, also known as the Biggert Waters Act; and

WHEREAS, the Act's stated purpose was to make the Federal Flood Insurance Program financially sound; and

WHEREAS, as real property owners in the Town of Fort Myers Beach and other areas of the Nation have discovered that the Biggert Waters Act imposes unreasonable flood base elevation requirements and unreasonable increases to flood insurance premiums; and

WHEREAS, due to the new parameters established by the Biggert Waters Act and FEMA's revised advisory base flood elevations, citizens are being faced with significant increases in flood insurance premiums; and

WHEREAS, these parameters will have a devastating financial effect on the local economy and on real property owners in the Town of Fort Myers Beach and Lee County; and

WHEREAS, Senators Mary Landrieu (D-LA) and David Vitter (R-VA) recently introduced an amendment that would delay the flood insurance premiums for the countless affected people across the nation; and

WHEREAS, a vote on the amendment was blocked by Senator Pat Toomey (R-PA) who stated that he did not want citizens in 'low risk' areas to subsidize those located in 'high risk' areas.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF FORT MYERS BEACH, LEE COUNTY, FLORIDA, as follows:

Section 1. The Town Council, on behalf of the citizens of Fort Myers Beach, hereby expresses its profound disappointment that Senator Pat Toomey blocked a vote that would delay increases in flood insurance premiums.

The Town Council hereby urges the United States Congress, and specifically Florida Senators Bill Nelson and Marco Rubio and U.S. Representative Trey Radel to take immediate action to delay or repeal those portions of the Act that impose a punitive and unjust financial burden on coastal real property owners as a result of the Flood Insurance Reform Act of 2012 and FEMA's revised Base Flood Elevation Maps or, as an alternative, consider legislation to establish a National Disaster Fund.
