5. Background:

In the FY 2014 Budget, the Town Council approved the purchase of a number of replacement vehicles. The funding source was a transfer from Reserves to the General Fund for the purchases. The purchasing policies allow the Town to purchase goods under a contract awarded by another governmental entity if the purchase is advantageous for the Town. Staff has identified another government entity – City of Tallahassee, Florida – who has contracted with Mike Davidson Ford in Jacksonville. Staff contacted a number of other agencies locally and state-wide and has determined that the Tallahassee prices are better than any other prices available. The Finance Director has reviewed the bid from Mike Davidson Ford and determined that the purchase would be advantageous for the Town.

- Attached are the quotes for the 5 vehicles

6. Alternative Action:

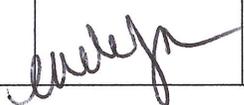

Deny this request and do not enter into any agreement to purchase vehicles

7. Management Recommendations:

Approve requested motion

8. Recommended Approval:
