

**1. Requested Motion:**

**Meeting Date: August 18, 2014**

Approve the purchase of the following replacement vehicles from Tennant Sales & Service Company, Minneapolis, MN

1 MS30 Model S30 Rider Sweeper \$33,829.51 (*budgeted amount: \$37,000*)

**Why the action is necessary:**

Authorize the purchase of one budgeted Rider Sweeper utilizing the “piggyback” provision of the Town’s purchasing manual.

**What the action accomplishes:**

Replacement and purchase of authorized vehicles.

**2. Agenda:**

Consent  
 Administrative

**3. Requirement/Purpose:**

Resolution  
 Ordinance  
 Other

**4. Submitter of Information:**

Council  
 Town Staff – *Public Works*  
 Town Attorney

**5. Background:**

In the FY 2014 Budget, the Town Council approved the purchase of a number of replacement vehicles. The funding source was a transfer from Reserves to the General Fund for the purchases. The purchasing policies allow the Town to purchase goods under a contract awarded by another governmental entity if the purchase is advantageous for the Town. Staff has identified another government entity – State of Florida Contract # 365-001-11-1– who has contracted with Tennant Sales & Service Company, Minneapolis, MN. Staff contacted a number of other agencies locally and state-wide and has determined that the State of Florida prices are better than any other prices available. The Finance Director has reviewed the bid from the State of Florida and determined that the purchase would be advantageous for the Town.

- *Attached is the quotation from Tennant and the Town of Fort Myers Beach FY 2014 Equipment Replacement detail.*

**6. Alternative Action:**

Deny this request and do not enter into any agreement to purchase vehicle

**7. Management Recommendations:**

Approve requested motion

**8. Recommended Approval:**

Authorize staff to work with Tennant Sales & Service Company, Minneapolis, MN to secure the vehicle.

Town Manager	Town Attorney	Finance Director	Public Works Director	Community Development Director	Parks & Recreation Director	Town Clerk

<sup>1</sup> See EPA Emission Control Warranty Statement for details on the emission control system coverage for machines equipped with the certified GM engine.

<sup>2</sup> GM engines in these models carry a five (5) year or 3,000 hour (whichever occurs first) parts warranty, excluding starters, alternators, belts, general maintenance items, or failure due to improper maintenance.

<sup>3</sup> See Evaporative Emission Control Warranty Statement for details on the evaporative emission control system coverage for machines equipped with the Kubota gasoline engine.

<sup>4</sup> Hopper and water tank carry a 5-year or 5,000 hour (whichever occurs first) parts warranty.

## NEW MACHINE WARRANTY

Tennant Company warrants to the original purchaser, for the above-stated periods (whichever occurs first), that machines will be free from defects in workmanship and material, provided that machines are installed, operated, and maintained in accordance with Tennant Company's written manuals or other instructions.

The warranty period begins on the installation date at the end-user site. This warranty does not apply to damage or failure caused by accident, misuse, negligence, abuse, improper repair, or maintenance of the machines. Please refer to Operator Manual for proper machine operation and maintenance instructions.

Demonstrator machines purchased from Tennant Company carry the same warranty as a new machine.

## LABOR AND TRAVEL WARRANTY

Tennant Company will, at its option, provide labor and travel or pay for outside repair for the above-stated periods.

## PARTS WARRANTY

Parts replaced or repaired under this warranty are guaranteed for the remainder of the warranty period. Consumable parts, expected to wear from normal use, are not covered under the parts warranty. Items that are covered on a prorated basis include tires (1 year) and batteries (2 years). Some industrial steel tray batteries are warranted by the manufacturer for five (5) years. Brushes that fail due to defect within one (1) year will be covered based on percentage of remaining bristle length. Fiber reinforced composite shrouds and Duramer™ shrouds, hoppers, solution, and recovery tanks are warranted for eight (8) years or 5000 hours (whichever occurs first).

## REPAIR PARTS WARRANTY

After the warranty period expires, repair parts supplied by Tennant Company are warranted against defects for the period of ninety (90) days, with the exception of batteries which are covered on a prorated basis for twelve (12) months. The repair parts warranty only covers parts, not labor or travel (see service labor section for terms).

## SERVICE LABOR WARRANTY

Labor and travel performed by a Tennant Company service representative are warranted for thirty (30) days from the date the repairs are completed. This policy does not cover work performed by any service company other than Tennant Company, and is restricted to the specific repair operation or component for which a claim is made.

## DISCLAIMER

TENNANT COMPANY EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. TENNANT SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER DIRECT OR INDIRECT, INCLUDING, BUT NOT LIMITED TO, BUYER'S LOSS OF MATERIAL OR PROFITS, INCREASED EXPENSE OF OPERATION, BODILY INJURY, LOSS OF USE OF PROPERTY OR DOWNTIME.

*Tennant Company reserves the right to change its warranty policy without notice.*

<sup>1</sup> Three (3) year limited warranty on electric motors and belts not subject to wear

<sup>2</sup> For machines shipped from Tennant Company on or after 2/1/2008

<sup>3</sup> For machines shipped from Tennant Company prior to 2/1/2008

## NEW MACHINE WARRANTY

Tennant Company warrants to the original purchaser, for the above-stated periods (whichever occurs first), that machines will be free from defects in workmanship and material, provided that machines are installed, operated, and maintained in accordance with Tennant Company's written manuals or other instructions.

This warranty does not apply to damage or failure caused by accident, freight damage, misuse, negligence, abuse, improper repair, or maintenance of the machines. Please refer to Operator Manual for proper machine operation and maintenance instructions.

The warranty period begins on the installation date at the end-user site. A Machine Installation/Warranty Report form included with Operator's Manual must be completed and returned immediately at the time of purchase. If proof of purchase is unavailable, the warranty begins ninety (90) days after original sale to an Authorized Tennant dealer.

Demonstrator machines purchased from Tennant Company carry the same warranty as a new machine.

## LABOR AND TRAVEL WARRANTY

Tennant Company will, at its option, provide labor and travel or pay for outside repair for the above-stated periods.

## PARTS WARRANTY

Parts replaced or repaired under this warranty are guaranteed for the remainder of the warranty period. The parts warranty on batteries is pro-rated for one (1) year from the Tennant Company shipping date. Consumable parts, expected to wear from normal use, are not covered under the parts warranty. These consumable parts include, but are not limited to: belts, drive chains, brushes, pad drivers, filters, squeegees, tires [pro-rated for one (1) year on rider machines], skirts, hand grips, battery cables, power cords, cord restraints, external hoses, vacuum bags, fuses and carbon brushes. Battery chargers and accessories are warranted for one (1) year.

## REPAIR PARTS WARRANTY

After the warranty period expires, repair parts supplied by Tennant Company are warranted against defects for the period of ninety (90) days. The repair parts warranty only covers parts, not labor or travel.

## SERVICE LABOR WARRANTY

Labor and travel performed by a Tennant Company service representative are warranted for thirty (30) days from the date the repairs are completed. This policy does not cover work performed by any service company other than Tennant Company, and is restricted to the specific repair operation or component for which a claim is made.

## DISCLAIMER

TENNANT COMPANY EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. TENNANT SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER DIRECT OR INDIRECT, INCLUDING, BUT NOT LIMITED TO, BUYER'S LOSS OF MATERIAL OR PROFITS, INCREASED EXPENSE OF OPERATION, BODILY INJURY, LOSS OF USE OF PROPERTY OR DOWNTIME.

*Tennant Company reserves the right to change its warranty policy without notice.*

# Creating a cleaner, safer world

Since 1870, Tennant Company has been creating a cleaner, safer world. We are committed to improving the quality of our indoor environments, while reducing the impact of cleaning on the outdoors.

## Product Safety Certifications and Approvals

### Carpet and Rug Institute (CRI) – Green Label Certified

To qualify for Green Label, vacuums and sweepers must go through stringent testing that measures soil removal, dust containment, and carpet appearance.

### Carpet and Rug Institute (CRI) – Seal of Approval

To qualify for seal of approval, extractors must undergo stringent testing that measures soil removal, water removal, and texture retention.

### National Floor Safety Institute – NFSI Certified

NFSI certification ensures a product has passed a 2-phase testing process, proving the floor product helps to reduce potential for slip-and-fall accidents.

### Green Seal – GS-37 Certified Detergents

Green Seal evaluates and certifies cleaning products based on criteria such as the toxicity of the product, skin and eye irritation, skin sensitization, combustibility, toxicity to aquatic life, and packaging.

### Registered by NSF International

NSF International is an independent, not-for-profit organization which registers compounds, such as cleaning agents, used in and around food establishments. NSF Registration ensures that formulation and labels on these products meet appropriate food safety regulations.

### U.S. Green Building Council (USGBC) – LEED

USGBC created LEED (Leadership in Energy and Environmental Design®) to recognize U.S. standards for high-performance and sustainable building environments. The USGBC recognizes products that can contribute to LEED and LEED-EB (existing building) points.

### Underwriters Laboratories (UL)

Underwriters Laboratories is a United States nationally recognized testing laboratory.

### ETL Testing Laboratories

ETL Testing Laboratories is a United States nationally recognized testing laboratory.

# Tennant Company Cleaning Technologies

Your facility requires safe and effective cleaning technologies to get the results you and your staff demand. Tennant Company offers a full line of safe, supportive and innovative cleaning solutions.

## ec-H2O™ – Release the Power of Water

ec-H2O™ electrically converts water to perform like a powerful detergent. This chemical-free technology removes the environmental and human health issues associated with daily cleaners; all while eliminating costly chemical purchases. The result is a superior clean, healthier environment, increased employee safety and reduced operations costs.

## FaST – The Safe Scrubbing Alternative®

FaST is the best way to meet the highest cleaning standards using 70% less solution. That's because FaST foam cleans so well it not only captures existing soil, it also removes old, slippery detergent residues. The result is a cleaner, higher-traction floor.

FaST does not require measuring or mixing and cleans up to 1,000,000 square feet per FaST-PAK®. FaST detergent is available in 3 formulas: FaST 365 (Neutral pH Daily Cleaner), FaST 665 (Neutral pH Heavy Duty Cleaner), FaST 965 (Heavy Duty Degreaser Cleaner).

## READYSPACE™

Carpets cleaned with ReadySpace are dry and ready for use in less than 30 minutes. Turn your just-cleaned carpet spaces around quicker, keep rooms open for traffic longer, and clean high-traffic areas more often with ReadySpace technology.

Using up to 80% less water to clean and leaving up to 90% less water in the carpet, ReadySpace helps reduce mold and bacteria growth and leaves cleaner, healthier spaces.

# SCRUBBERS

Maintain a clean, safe and productive environment with our industry-leading scrubbers. Look for machines featuring FaST® or ec-H2O™ technologies. Ec-H2O™ electrically converts plain tap water into a powerful cleaning solution for chemical performance with earth-friendly results. FaST® is the safe scrubbing alternative, removing old, slippery detergent residue with floor traction increased by 21 percent.

## Applications

- Barracks and Dormitories
- Auditoriums
- Command Centers/Post Exchanges
- Commissaries
- Hallways/Hospitals/Infirmaries
- Post Offices
- Recreation and Fitness Centers
- Warehouses and Storerooms
- Aircraft Hangars
- Schools

**Model 550 SRS® Power Scrubbers**

LP powered unit has an 83 hp GM EPA Tier 2 Engine and the Diesel powered unit has a 63 hp Caterpillar EPA Tier 4i Engine. All units have Underwriters Laboratory (UL®) LP or D Certification. Unit scrubs a 50" cleaning path with cylindrical brushes. Includes stainless steel 140 gallon Solution and 120 gallon Recovery tanks, solution tank level gauges, vacuumized debris trough, power steering and many other standard features. Units are equipped with SRS® Solution Recycling System, which recycles the solution to be reused to extend productive scrubbing time.

# SCRUBBER-SWEEPERS

Maintain a clean, safe and productive environment with our industry-leading scrubber-sweepers. Look for machines featuring ec-H2O™ or FaST® technologies. Ec-H2O™ electrically converts plain tap water into a powerful cleaning solution for chemical performance with earth-friendly results. FaST® is the safe scrubbing alternative, removing old, slippery detergent residue increasing floor traction by 21 percent.

### Applications

- Barracks and Dormitories
- Auditoriums
- Colleges and Universities
- Command Centers/Post Exchanges
- Commissaries
- Convenience Stores
- Hangars
- Officer/NCO/Enlisted Men's Clubs
- Hospitals/Healthcare Facilities
- Maintenance Contractors
- Fleet Maintenance Facilities (Motor Pools)
- Manufacturing Facilities
- Office Buildings
- Parking Garages
- Post Offices
- Grocery
- Recreation and Fitness Centers
- Restaurants
- Retail Outlets
- Schools
- Shopping Malls
- Warehouses and Storerooms
