SECTION TWO: Final Assessment. After sitting as the Equalizing Board to hear complaints and adjust assessments, it is the decision of the Board to levy the special assessments as provided in the role of SECTION THREE of this resolution and such assessments shall stand confirmed and remain legal, valid, and binding first liens upon the property against which such assessments are made until paid; however, upon completion of the improvement, the municipality shall credit to each of the assessments the difference in the assessment as originally made, approved, and confirmed and the proportionate part of the actual cost of the improvement to be paid by special assessments as finally determined upon the completion of the improvement, but in no event shall the final assessments exceed the amount of benefits originally assessed. Promptly after such confirmation, the assessments shall be recorded by the clerk in a special book, to be known as the "Improvement Lien Book," and the record of the lien in this book shall constitute prima facie evidence of its validity.

SECTION THREE: Assessment Role. Each if the following properties shall be assessed \$2,223.33, to be paid annually \$286.63 including interest, the first payment to be \$300.00 without interest.
