

RESOLUTION OF THE TOWN COUNCIL OF
THE TOWN OF FORT MYERS BEACH, FLORIDA
RESOLUTION NUMBER 02-10

WHEREAS, the property owner Robert & Brenda Burandt have requested a variance from the Standard Building Code as allowed by LDC 6-81, which requires a three story structure to have a fire sprinkler system; and,

WHEREAS, the subject property is located at 457 Estero Boulevard, Ft. Myers Beach, in S24-T46S-R23E, Lee County, FL.; and,

WHEREAS, the applicant has indicated the property's current STRAP number is: 24-46-23-W1-0070D.021A; and,

WHEREAS, the LPA recommended that the Town Council approve the request with the condition that the existing portion of the building does not have to be protected by a fire sprinkler system, but the newly constructed addition must have a fire sprinkler system.

WHEREAS a hearing was held and the Council considered the recommendations and testimony of the staff, testimony from the applicant and from the public.

IT IS THE FINDING of this Council that sufficient evidence was presented to show that enforcement of the rule would not do manifest injustice and would not be contrary to the spirit and purpose of the code.
