THE TOWN OF FORT MYERS BEACH FLORIDA  
RESOLUTION NUMBER 17-43  
VAR2017-0004 – Cronen Front Setback

WHEREAS, applicant Greg Stuart, authorized agent for Daniel Cronen, is requesting a variance from Sec. 34-638 Min. Setbacks Table 34-3 of the Town of Fort Myers Beach Land Development Code; and

WHEREAS, the applicant has indicated that the STRAP number for the subject property is 19-46-24-w4-0080a.0270 and the legal description of the subject property is attached as *Exhibit A*; and

WHEREAS, the subject property, 272 Miramar Street, Fort Myers Beach is located in the 'Residential Conservation' zoning district of the Official Zoning Map and the 'Mixed Residential' category of the Future Land Use Map of the Comprehensive Plan of the Town of Fort Myers Beach, Florida; and

WHEREAS, a public hearing on this matter was legally advertised and held before the Local Planning Agency (LPA) on November 14, 2017; and

WHEREAS, the LPA recommended approval of the variance after full and complete consideration to the request of Applicant, recommendations of staff, the documents in the file, and the testimony of all interested persons, as required by Fort Myers Beach Land Development Code (LDC) Section 34-84; and

WHEREAS, on December 4, 2017 the Town Council held a duly advertised public hearing to fully consider the request of the Applicant, the recommendations of Town staff and the LPA, the documents in the record, and testimony of all interested persons as required by LDC 34-87; and

WHEREAS, the Town Council determined it is in the best interest of the Town to approve the request.

NOW THEREFORE, BE IS ORDAINED by the Town Council of the Town of Fort Myers Beach, Florida, as follows:

**Determination.**

Based upon the recommendations, testimony, and evidence presented by the applicant, Town staff, and interested parties, the Town Council **APPROVES** the following:

- A. A variance from Sec. 34-638 Min. Setbacks Table 34-3 of the Town of Fort Myers Beach Land Development Code, which requires a 25-foot front yard setback, to allow a variance of 5 feet to decrease the required setback to 20 feet.

**RECOMMENDED FINDINGS AND CONCLUSIONS:**

In accordance with the requirements of LDC Sections 34-84 and 34-87 regarding consideration of eligibility for a variance, the Town Council make the following findings and reach the following conclusions:

- A. There **are** exceptional or extraordinary conditions or circumstances that are inherent to the property in question, and the request **is** for a de minimis variance under circumstances or conditions where rigid compliance is not essential to protect public policy.
- B. The conditions justifying the variance **are** the result of actions of the applicant taken after the adoption of the regulation in question.
- C. The variance granted **is not** the minimum variance that will relieve the applicant of an unreasonable burden caused by the application of the regulation to the property in question.
- D. The granting of the variance **will not** be injurious to the neighborhood or otherwise detrimental to the public welfare.
- E. The conditions or circumstances on the specific piece of property for which the variance is sought **are not** of so general or recurrent a nature as to make it more reasonable and practical to amend the regulation in question.
