STRAP NO.: 28-46-24-W4-0010A-0010

As the Owner of the above-described property, you are hereby notified that a nuisance exists upon such property, contrary to the Town's Lot Mowing Ordinance (Ordinance 96-13). The nuisance consists of grasses and weeds in excess of sixteen (16) inches in height which cover more than fifty percent (50%) of the above-described property.

You are hereby ordered to abate the nuisance by mowing the grasses and weeds within ten (10) days of receipt of this Notice. Upon your failure to abate this nuisance, the Town Manager shall order abatement thereof and at that time Town Employees, servants, agents or contractors will enter upon your property and abate the nuisance. The cost of such abatement will be levied as an assessment against your property. Thereafter, the Town Manager shall prepare an assessment bill for the entire cost of abatement.

If you wish to contest this Notice of Violation, you may appeal to the Town Manager. Requests for appeal must be made in writing and should be directed to the Manager within five (5) days of receipt of this Notice. All decisions of the Town Manager shall be final.

A second notice will contain an invoice detailing the costs incurred by the Town to abate the nuisance on your property along with a request for payment of these costs within thirty(30) days of the date of the notice. In the event this invoice is not paid in full within thirty (30) days, an assessment lien will be placed against your property.

FIRST NOTICE OF VIOLATION

PAGE TWO

The assessment is created by a resolution signed by the Mayor of the Town Council and includes the cost to abate the nuisance and associated administrative costs. Under the resolution, the Town will be entitled to collect interest on the unpaid balance of the assessment at the rate of 12% per-year for the life of the lien. Upon execution of the resolution, the Mayor will cause a certified copy of the resolution to be recorded in the official public records of the Town. You should understand, that once this resolution is recorded it constitutes a special assessment lien against your property that will remain until it is paid. This means that any subsequent transfer, sale or other disposition of the property will be affected or otherwise encumbered by this lien. Further, you should also be aware that the Town has the power to enforce any assessment, together with the accumulated interest thereon, by civil action, including but not limited to, foreclosure of the lien.
