FENCE/WALL APPLICATION

Regulations and Information:

1. Town of Fort Myers Beach is regulated by the Florida Building Code 7th Edition (2020). For more information about the code or to purchase the code, visit www.floridabuilding.org
2. To be an owner builder you must maintain the home as your primary residence for a minimum of one year after CO. You must be present for the permitting process, the construction process, the inspection process, and at CO.
 - a. Properties in a Trust or LLC cannot submit owner builder permits.
1. Work performed on sites located west of the Coastal Construction Control Line will require a permit from the Florida Department of Environmental Protection.
2. All fences and walls shall be measured from the lower of the crown of the adjacent street or the natural grade of the subject property.
3. No chain link or similar type fence is permitted in any front yard area in any zone district except Commercial zone districts.
4. Check with the respective property owners association for deed restrictions.
5. From FEMA Tech. Bull. 5 Free-of-Obstruction Requirements:
“Solid fences, privacy walls, and fences prone to trapping debris must be designed and constructed to fail under base flood conditions without causing harm to nearby buildings.”
