### LDC Section 34-85

The guidelines for decision-making regarding a request for rezoning are as follows:

1. Whether there exists an error or ambiguity that must be corrected;
2. Whether there exist changed or changing conditions that make approval of the request appropriate;
3. The impact of the proposed change on the intent of LDC Chapter 34;
4. Whether the request is consistent with the goals, objectives, policies, and intent, and with the densities, intensities, and general uses set forth in the Fort Myers Beach Comprehensive Plan;
5. Whether the request meets all performance and locational standards for the proposed use;
6. Whether urban services are, or will be, available and adequate to serve a proposed land use change;
7. Whether the request will protect, conserve, or preserve environmentally critical areas and natural resources;
8. Whether the request will be compatible with existing or planned uses and will cause damage, hazard, nuisance, or other detriment to persons or property;
9. Whether the location of the request places an undue burden on existing transportation or other services and facilities, and will be served by streets with the capacity to carry traffic generated by the development.
