Re: Cultural Resources Monthly Report, March 2021 Activities

**Items for Council direction for this report: NONE**

**Mound House & Newton Beach Park Educational Programming-** The Mound House Museum re-opened on October 6, 2020. New museum hours, Tuesday, Thursday and Saturday 9am to 4pm. Kayak tours and beachwalks are still being offered as well as outside tours and programs. Masks required for all staff and patrons and CDC guidelines and social distancing followed. For more information on program offerings visit our website at [www.moundhouse.org](http://www.moundhouse.org). Public restrooms are now open 8:30am to 4:30pm daily.

**Facilities Update- Mound House, 216 Connecticut Street & Newton Beach Park**

- ADA assessments reviewed for all facilities. Staff working on compliance recommendations. Ongoing.
- Landscape improvements at Newton Beach Park and Mound House (TDC Funds). Ongoing.
- AC upgrade completed for Mound House Museum.
- Newton Beach Park grounds and public restrooms are open to the public from sunrise to sunset seven days a week. Team members from BASE patrol the site up to 10 times daily. Staff from public works are on site 7 days a week collecting trash and recycling and checking the public restrooms to make sure all is clean and safe. Janitorial staff clean the restrooms daily after the restrooms have closed and ensure all doors are locked and secured. New windows, door locking mechanism, and restroom equipment, along with requirement of janitorial staff cleaning after doors are locked have eliminated vandalism and damage to public restrooms after hours.
- New mulch spread for all of Newton Beach Park.
- New trash can lids at Newton Beach Park on order that close all the way to prevent animals/ rodents from getting into the trash at night.
- Three new papaya trees planted at Mound House.
