With July winding down, now is the ideal time to visit the iconic Mound House on Fort Myers Beach! One of Southwest Florida's most-beloved historic attractions, the Mound House traces its roots back to the ancient Calusa of over 2,000 years ago. The Town of Fort Myers Beach operates the Mound House as a museum complex and cultural and environmental learning center that offers numerous educational programs each month, including for children.

The Mound House continues its exciting new program, "Junior Explorers," for children 2 to 5 and their adult guardians at Newton Beach Park on Wednesday, July 28, at 1 p.m. Junior Explorers learn about the environment, culture, and early life skills such as language, numbers, fine motor, and socializing. New in July is "Cool Calusa Tools" for families with children ages 6 & older on Saturday afternoons, July 24 & 31, where you learn to hunt, fish, and make masks and pottery, just like the Calusa! There are two different kayak programs this week, as well as presenting the Mound House's signature event, the "Shell Mound Outside Guided Tour," eight times.

The Mound House, the oldest standing structure on Estero Island, is open Tuesdays, Thursdays, and Saturdays from 9 a.m. to 4 p.m. It practices Social Distancing guidelines and encourages all nonvaccinated guests to wear masks. It is at 451 Connecticut Street with overflow parking at 216 Connecticut. Admission is \$10 for ages 13 & up, \$8 for students with IDs, \$5 ages 6 to 12, and 5 & under free, with Town residents receiving a 50% discount.
