

FORT MYERS BEACH FIRE DISTRICT

OFFICE OF THE FIRE CHIEF

~ SHAPING OUR COMMUNITY THROUGH EXCELLENCE ~

Dear Fort Myers Beach Community:

The Fort Myers Beach Fire Control District is currently undergoing the development of a three to five year strategic planning process. We are working with Dr. Margaret Banyan to assist in facilitating this process.

As part of this effort, we are hoping to engage the broader community in setting priorities. Your input is critically important as we develop this plan and as we implement it over the next several years. The Fire District has always considered the community to be our most important partner in our service to the community.

You may help us in this effort by filling out a quick online survey and/or attending a community meeting.

Please contact Dr. Margaret Banyan at mbanyan@comcast.net or 239-707-0674 with any questions that you may have.
