Kick off 2022 with a trip to the iconic Mound House on Fort Myers Beach! One of Southwest Florida's most-beloved historic attractions, the Mound House traces its roots to the ancient Calusa of over 2,000 years ago. The oldest standing structure on Estero Island, the Mound House is open Tuesdays through Saturdays from 9 a.m. to 4 p.m.

This week debuts the 2022 Mound House Lecture Series with Dr. Uzi Baram presenting "Archaeology of the Network to Freedom on Florida's Gulf Coast" on Tuesday, January 11, from 5:30 to 7 p.m. Dr. Baram, a Professor of Anthropology and Director of the New College Public Archaeology Laboratory at the New College of Florida, offers the results from the January 2020 Manatee Mineral Spring excavation that revealed the multifaceted daily lives of the Maroons, the self-emancipated Florida Gulf Coast peoples of African heritage and free Blacks from the Apalachicola, Suwannee Manatee River areas from the 1770s through 1821. This legacy of Spanish La Florida was a haven of freedom as the southern route of the Underground Railroad.

The program begins with a 30-minute outdoor reception at 5:30 p.m. followed by the indoor lecture at 6 p.m. Due to the limited indoor space, the Mound House requires advance reservations at 239-765-0865, with masks necessary; \$12-per-person with Mound House members \$7-per-person.

The Town of Fort Myers Beach operates the Mound House as a museum complex and cultural and environmental learning center that offers numerous monthly educational programs, including for kids.
