With rainy season firmly in place and residents and visitors seeking attractions safely ensconced by roofs, June is the ideal month to visit the iconic Mound House on Fort Myers Beach! One of Southwest Florida's most-beloved historic attractions, the Mound House traces its roots to the ancient Calusa of over 2,000 years ago. As the oldest standing structure on Estero Island, the Town of Fort Myers Beach operates the Mound House as a museum complex and cultural and environmental learning experience that offers numerous monthly tourism and environmental events, including for kids.

The Mound House debuts two new programs this week: "Calusa Masks" and "Calusa Pottery" are for ages 12 & up at \$5-per-person. The Mound House is open Tuesdays through Saturdays from 9 a.m. to 4 p.m., offers Social Distancing and requests that all unvaccinated visitors wear masks. It is at 451 Connecticut Street with overflow parking at 216 Connecticut. Admission is \$10 for ages 13 & up, \$8 for students with IDs, \$5 ages 6 to 12, and 5 & under free, with Fort Myers Beach residents receiving a 50% museum admission discount.
