Now that we are officially in the “dog days” of August, throw your loved ones and yourself a historical bone and take a trip to the iconic Mound House on Fort Myers Beach! One of Southwest Florida’s most-beloved historic attractions, the Mound House traces its roots to the ancient Calusa of over 2,000 years ago. As the oldest standing structure on Estero Island, the Town of Fort Myers Beach operates the Mound House as a museum complex and cultural and environmental learning experience that offers numerous monthly tourism and environmental programs, including for kids.

The “Summer Lecture Series” continues with Curator of Education Bobby Feldman presenting “The Creatures of The Mound House: From Birds to Bugs” for adults on Tuesday, August 9, with wine & refreshments at 5:30 p.m. and program at 6 p.m. Bobby details the common animals found on the Mound House grounds as you gain a greater appreciation for suburban wildlife. Due to limited seating, advance registrations are necessary at 239-765-0865; \$7 for Mound House members & \$12 for non-members.

The Mound House, featuring its one-of-a-kind underground Calusa Indian Shell Mound, is open Tuesdays through Saturdays from 9 a.m. to 4 p.m. It is at 451 Connecticut Street with overflow parking at 216 Connecticut. Admission is \$10 for ages 13 & up, \$8 for students with IDs, \$5 ages 6 to 12, and 5 & under free, with Fort Myers Beach residents receiving a 50% museum admission discount.
