Paying Construction Invoices Online

Thank you for using the FPL Project Portal (<https://partner.fpl.com/construction.html>) to pay your construction invoice online.

View Your Bill

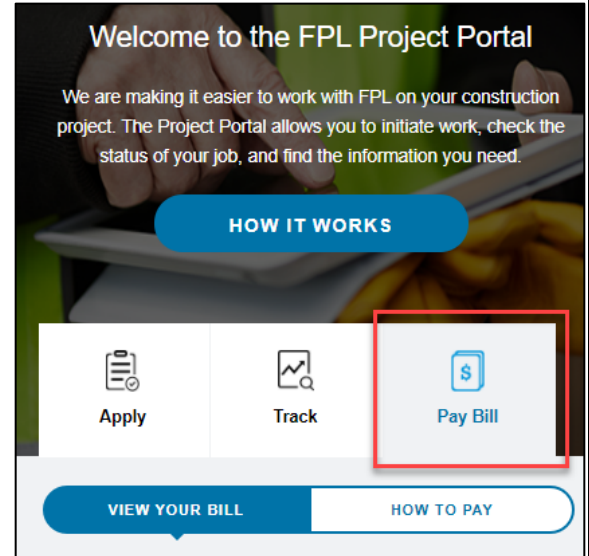

To view your bill, select the “Pay Bill” icon located on the homepage, then click “View Your Bill.” Enter the bill number and reference number listed on your construction invoice, then click “View Bill.” Your bill will be displayed showing the amount due and the status of the invoice – either payment pending or payment received.

Construction invoices can be found on the work requests viewable on your Project Portal applicaiton.

Pay Your Bill

The Project Portal will navigate you through the steps necessary to safely and securely pay your bill on Speedpay, the payment processing service for Florida Power & Light. (Please note: Speedpay only accepts bank account transactions)

1. Know your Bill and Reference Number: Make sure you have your bill and reference number handy to submit an online payment.
2. Go to Speedpay: Use the “Go to Speedpay” link available at the bottom of the page to navigate to the Speedpay website.
3. Search for your Bill: A pop-up will appear, welcoming you to the payment processing service for FPL powered by Speedpay. Enter the reference number and the bill number, then click “Log In.”
4. Pay your Bill: Once Speedpay retrieves the invoice information, you’ll be prompted to complete the following steps to submit your payment. Enter your personal and payment information when prompted. After confirming all the information is accurate, submit your payment. Payment must be made in full and can be submitted using a bank account and checking number.

Notes: It takes approximately 24 to 48 hours after creating your construction invoice to view or pay.

Speedpay only accepts bank account transactions. Credit cards are not accepted. Invoices must be paid in full. The limit on each transaction is \$99,999.99. Each transaction has a \$1 service fee charge from Speedpay.
