Attached is a request for funding for the 2014 Publicity Program for the Fort Myers Beach Friends of the Arts. I've included some results of our 2013 publicity as well as a list of some of the publicity the Town of Fort Myers Beach and these events received.

I would like to request to be put on the agenda of the Council Meeting October 21st to make our presentation to the Council. Please advise if that time would be available to the Friends of the Arts.

Thank you for your consideration.

Regards,

Georgia Reinmuth
Treasurer

Dear Mayor Alan Mandel and FMB Town Council:

We have applied for a 501 (c) 3 status November 2011. According to FL State Laws, we may operate as a non-profit until final approval arrives. In July, 2013, they asked us for more information and paperwork. That information was supplied and we await their response.

Regards,

Georgia Reinmuth
Treasurer

Detailed explanation of our program, project or event and record of accomplishments:

The Fort Myers Beach Friends of the Arts was formed to provide residents and visitors with more art oriented events; including the performing arts and the visual arts. We want to encourage the development of arts and culture on Fort Myers Beach. Arts and culture add value to the tourism industry, which is the engine of our economy.

In November, 2011, the Greater Fort Myers Beach Area Friends of the Arts was formed. We filed our corporation papers as a non-profit at that time but neglected to fill out the Form 1023. In July, that 1023 was filed and we are waiting for a response from the IRS. Since 2011, we have put together numerous events ourselves and supported those on Fort Myers Beach with culture and art backgrounds. A list of our Accomplishments is included in this package.

These events have been for the locals as well as the visitors to our island. They have covered a variety of art events. We started out with a Membership Drive in March 2012 and had the Cypress Lake Quartet providing background music. We've used the quartet on several occasions. The donations to the High School musicians are helping to keep their music program alive. We increased our membership by 10 new members and created awareness for our organization.

In April 2012, we hosted the FMB Film Festival. The Film Festival had taken a six year hiatus after Hurricane Charley. The Town was no longer able to provide funds for it, so we decided it was definitely something we needed to support. This event draws filmmakers from around the nation who are promoting their independent short films. We include the local filmmakers to provide experience and education for their filmmaking careers.

The 7th Annual Film Festival was held in April 2013 with even greater success than the first one. The Film Festival committee is starting to take over the responsibilities of the event. As we resurrected it's re-start the previous year, it was great to see people step up to the plate to help support it. Attendance was up, and the filmmakers were so impressed with our beachfront community, that they are thinking of ways to incorporate their work here.....an underlying reason for our support.

Plans for the Film Festival 2014 are underway as our publicist helped us get the word out requesting submissions for review the beginning of October.

The summer is hot in SW Florida, so we had a Summer Film Series in doors at the Bay Oaks Recreation Center on Fort Myers Beach. It was well received and had about 40 people at each of the 3 screenings.

In the fall of 2012, we worked with the Fort Myers Beach Art Association and helped present the Plein Air Art Festival – Sandcastles to Shrimpboats. Again, a national event, we drew 60 artists that painted all over the island, then prepared their paintings for judging and presented the artwork at their Gala. Over 1,000 people were able to view the paintings throughout the weekend.

2014 Paint the Beach will be in November. Again, along with Fish Tale Marina and Santini Marina Plaza, we will support the Fort Myers Beach Art Association in this endeavor.

We worked on a Concert Series for the winter of 2013 and held 3 events. Richard Cooper provided entertainment with Broadway Hits of the Silverscreen. The Cypress Lake High School Orchestra, a talented local school orchestra performed for us in a beautiful outdoor setting.

We are planning the 2014 Concert Series at the moment. January 9th, February 6th and March 6th we plan to have a concert at Fish Tale Marina. So far, we have one act booked. Last year the concerts were well received. Our attendance was at 89 for the largest crowd. During the winter our streets fill with 'snowbirds' from up North and we plan the Concert Series for that time of year when there are more people on the island.

In early October this year, we supported the Beach Haus Productions in their Tea Time Travesty production with press releases. Another play is planned for April 2014 in celebration of the Titanic 100th Anniversary.

Each month, we will be attending the festivals at Santini Marina Plaza, hosting a booth to promote our organization, sign up new members, and raise money with a raffle drawing. We plan to do the same for the Sunrise Fresh Market there.

There are many other things we have supported this past year. A list of the publicist's work is included in this package of information.

Our goal is to bring more art activities to the people here on Fort Myers Beach and the surrounding area. It has been proven time and again by many communities that bringing in art and cultural events you are adding value to tourism which is the engine of our economy.
