

**1. Discussion Objective:**

**Work Session Date:** April 21, 2014

Discussion Objective is to fine-tune the RADAR and AGENDA MANAGEMENT spreadsheets as a result of the March 28, 2014 Council work session

**2. Submitter of Information:**

- Council
- Town Staff
- Town Attorney

**3. Estimated Time for this item:**

15 minutes

**5. Background:**

At the March 28, 2014 Town Council work session, the Council discussed line-by-line the Agenda Management form and identified some items as keeping on their radar, while other items were assigned to certain council meetings or work sessions. The Town Clerk drafted the new form based on the work session discussion, and the Council will review and add further information.
