Town Hall

Fort Myers Beach FL 33931

COPIED TO:
COUNCIL MEMBERS
TOWN CLERK
TOWN MANAGER

Dear Mayor Kiker:

Please accept this as a letter of interest for the position of Town Manager, Fort Myers Beach. I feel that I am uniquely qualified to fill this position for the town. I have lived on this island since 2003 along with my wife LaVerne Ferguson-Kosinski ("Vernie"), author of the books *Europe By Eurail (32 editions)* and *Britain By Britrail (28 editions)*. We are both excited and enthusiastic about Fort Myers Beach. I have been active within the local community providing structural engineering design and permitting for local residences, The Lighthouse Resort and Shipwreck, to name a few.

I graduated from Pennsylvania State University in 1981 with a Bachelor's Degree in Architectural Engineering. I have been a registered professional engineer licensed in the State of Florida (License No. 5288) since 1997 and have been a professional engineer since 1984. I have fulfilled the positions of Project Engineer, Senior Structural Engineer and Structural Department Head. I have successfully run my own engineering company since 2000.

Locally, my experience in leadership includes serving as Governor of the 1,700-member Fort Myers Beach Moose Lodge 964 for three years. During my rule as Governor of the Moose Lodge, the lodge won numerous national awards of achievement and community service. I am currently serving as President of the Board of Directors, Sandcastle Beach Club and I am on the Board of the Fort Myers Beach American Legion Post 274.

I would be pleased to be a "problem solver" by working with the Mayor, Town Council, and other governmental agencies, and to serve as a liaison for the residents of the Town of Fort Myers Beach. Additionally, I feel I can help provide a government that represents the needs of the community. Please feel free to contact me for additional information.

Sincerely yours,

Joseph C. Kosinski
