5. Background:

The County has awarded a contract for milling and repaving the segment of Estero Boulevard from Jefferson St. to Mound Road. This paving project is scheduled for mid-November. Direction needs to be provided to the County with respect the Town's desire associated with the work being performed during the day or overnight. This segment of roadway consists of two lane traffic with some left hand turn lanes into commercial properties. The area consists mostly of residential properties along the Bay side of the roadway and a mix of residential and multi-family properties on the gulf side of the roadway. A copy of the area map is attached for reference.

6. Alternative Action:

Do not approve paving the roadway.
